

Nail Technician Application Process

Spring Cohort (Mar-May) | Application period is currently open until Jan.8th or until cohort is filled.

Summer Cohort (June-Aug) | Application period is open Jan.11th or until cohort is filled.

Step 1 – Meet with a Student Success Advisor to verify entrance requirements or take and pass the Uintah Basin Technical College's academic assessment exam if necessary. A minimum of 4-6 weeks before the deadline is recommended. Contact a Student Success Advisor by visiting the [UBTech Admissions Page](#) to schedule an appointment.

Step 2 – Once entrance requirements are met, eligible applicants will be entered into the lottery for a spot in the Nail Tech program. If a lottery is not needed, you will be placed in the cohort. If a lottery is needed, and you have previously applied, you will get an additional point.
